

Middlesex County Republican Women's Club

You're Invited!

Meet up with other Republican women from all over Middlesex County. You are NOT alone!

We love our Country. We support President Trump. We believe in good, honest government that works for you. We support Republican women who want to run for office, even in your own town!

Join us and be a part of the largest social Republican club in Middlesex County (and just about all of New Jersey!). We are a national Award-winning Club because we strive for excellence in all we do to help Republican candidates, support the Republican Party, and help our community. And we have fun doing it!

The COVID Lockdown is just about over - so we'll be holding more in-person events really soon! We throw a big party every year to honor President Ronald Reagan and show our support for President Trump. When NYC is safe again, we will host another Bus Trip to Trump Tower - we love going during Christmas, and we hope to do it again! Plus, we have great meetings and social gatherings almost every month.

That's not all -- once you join our Club, you will automatically become a Member of the New Jersey Federation of Republican Women, and the National Federation of Republican Women! All three Memberships in one. This gives you access and invitations to Republican events all over the state and even national events, conventions, fundraisers, and more.

While we are a Women's Republican Club, we accept Men as non-voting Associate Members. We invite the guys to join in on the fun!

Don't just sit at home, yelling at the Dems on TV. Join us and have fun *WINNING!*

Join NOW - We Will Work Together to WIN!
